## EDUCATION

### Northwestern University

**Bachelor of Arts:** Computer Science, Minor in Economics

**Cumulative GPA:** 3.635/4.000

**Relevant Coursework:** Database Systems, Intro to Artificial Intelligence, Intro to Data Structures and Algorithms, Mathematical Foundations of Computer Science, Econometrics, Statistics, Macro/Microeconomics

Evanston, IL  
Expected June 2019

### University of Edinburgh

Edinburgh, UK  
Fall 2017

- Engaged and grew familiar with Scottish culture while adjusting to life in a new country and meeting new people from all over the world

---

## RELEVANT EXPERIENCE

### Knight Lab Studio Course, *Conversational Fact Checking*

January 2018 – Present

- Implement problem solving skills to tackle the challenge of live fact-checking political content on C-Span using an Amazon Echo
- Build project management and teamwork skills by coordinating efficient workflows using Trello and Slack
- Develop a program that allows users to ask their Echo if a “factual” claim they just heard on C-Span is actually true using HTML, CSS, JavaScript, and Amazon APIs

### Life-Span Development Lab, *Research Assistant*

January 2018 - Present

- Implement PsychoPy – a Python-based open source psychology program – to design experiments for the lab
- Aid with setup and operation of experiments to analyze emotion regulation in aging adults, emotional links between couples, and emotional control in children that have begun displaying symptoms of mental illness

### Northwestern University Department of

**Electrical Engineering and Computer Science, *Peer Mentor***

December 2016 – March 2017

- Led 16 students in a one-hour discussion section for a Computer Science class once per week
- Guided students on homework assignments, projects, and class materials for 6 hours a week
- Graded homework assignments, projects, and exams for a class of over 200 students

---

## CAMPUS INVOLVEMENT

### New Student and Family Programs, *Peer Adviser*

March 2016 – Present

- Utilize team-building and inclusion skills to facilitate dialogue and create a welcoming environment for a group of 15 new students during a weeklong orientation
- Develop skills with applying leadership to difficult situations through 60 hours of training
- Advise new students throughout first year of classes on time management skills, campus adjustment practices, and campus involvement

### Northwestern Career Advancement, *Clerical Aide*

January 2018 – Present

- Teach students to effectively utilize the resources that the Career Center offers them
- Collaborate with career counselors to help them reach out and help as many students as they can
- Coordinate campus visits and recruitment events with employers

---
