EDUCATION

Northwestern University   Evanston, IL
Bachelor of Arts: Computer Science, Minor in Economics   Expected June 2019
Cumulative GPA: 3.635/4.000
Relevant Coursework: Database Systems, Intro to Machine Learning, Intro to Data Structures and Algorithms, Mathematical Foundations of Computer Science, Human-Computer Interaction, Statistics

University of Edinburgh   Edinburgh, UK
                                                                                                              Fall 2017

RELEVANT EXPERIENCE

Human-Computer Interaction, *Wildcat Correction*   January 2017 – March 2017
- Used HTML, CSS and JavaScript to create an add-on for Northwestern's Wildcat Connection page, the only place that lists all student organizations.
- Presented an embedded TypeForm quiz for students to find clubs that match their preferences
- Offered quiz stats to club administrators to identify what students are looking for in clubs
- Displayed all club categories in a visually appealing way and links to appropriate Wildcat Connection page

Northwestern University Department of
Electrical Engineering and Computer Science, *Peer Mentor*   Evanston, IL; December 2016 – March 2017
- Led a one-hour discussion section for a Computer Science class once per week
- Guided students on homework assignments, projects, and class materials during office hours
- Graded homework assignments, projects, and exams with professor

RescueTECH USA, *Summer Intern*   Minneapolis, MN; June 2016 – September 2016
- Repaired both hardware and software issues such as removing viruses/malware and fixing keyboard and screen malfunctions in client computers
- Filed customer invoices using Quickbooks software
- Remedied network and server errors on-site at client corporate offices and homes

CAMPUS INVOLVEMENT

New Student and Family Programs, *Peer Adviser*   March 2016 – Present
- Utilize team-building and inclusion skills to facilitate dialogue and create a welcoming environment for a group of 15 new students during a weeklong orientation
- Develop skills in teamwork, inclusion, and leadership through 60 hours of training
- Advise new students throughout their freshman school year on time management skills, campus adjustment practices, and campus involvement

Associated Student Government, *Services Committee Member*   October 2015 - Present
- Design web portal for Northwestern's student government allowing its members to log attendance as well as store senate notes and legislation using
- Discuss and divide project work evenly within a group of four at weekly meetings
- Strengthen skills in HTML, CSS, Javascript, and GIT

SKILLS

Computer: Intermediate Xcode, Visual Studio, GitHub, Atom. Advanced Microsoft Word, Excel, PowerPoint
Language: Bilingual in English and Spanish
Programming: Proficient in Python, C++, C#, HTML, CSS and JavaScript. Prior experience with PostgreSQL and Unix.
