1927 Orrington Ave, 3410	3667 Commonwealth Road
Evanston, IL 60201	Woodbury, MN 55125

EDUCATION

Northwestern University: Weinberg College of Arts & Sciences — Evanston, IL
Bachelor of Arts: Computer Science, Minor in Economics — Expected June 2019
Cumulative GPA: 3.635/4.000
Relevant Coursework: Intro to Data Structures and Algorithms, Mathematical Foundations of Computer Science, Human-Computer Interaction, Fundamentals of Computer Programming, Macroeconomics, Microeconomics, Statistics

RELEVANT EXPERIENCE

Human-Computer Interaction, *Wildcat Correction* — January 2017 – March 2017
- Used HTML, CSS and JavaScript to create an add-on for Northwestern's Wildcat Connection page, the only place that lists all student organizations.
- Created the add-on "Wildcat Correction" to perform three essential functions:
    1. Present an embedded TypeForm quiz for students to find clubs which match their preferences
    2. Offer quiz stats to club admins so they can see what students are looking for in clubs
    3. Display all club categories in a visually appealing way and links to the appropriate Wildcat Connection page

Northwestern University Department of
Electrical Engineering and Computer Science, *Peer Mentor* — Evanston, IL; December 2016 – March 2017
- Led a one-hour discussion section for a Computer Science class once per week
- Held 2-3 office hours per week to assist students with homework assignments, projects, and class materials
- Graded homework assignments, projects, and exams with professor

RescueTECH USA, *Summer Intern* — Minneapolis, MN; June 2016 – September 2016
- Repaired both hardware and software issues such as removing viruses/malware and fixing keyboard and screen malfunctions in client computers
- Filed customer invoices using Quickbooks software
- Remedied network and server errors on-site at client corporate offices and homes

CAMPUS INVOLVEMENT

New Student and Family Programs, *Peer Adviser* — March 2016 – Present
- Utilized team-building and inclusion skills to facilitate dialogue and create a welcoming environment for a group of 15 new students during a weeklong orientation
- Trained for over 60 hours throughout the spring and summer in preparation for orientation week
- Continue to meet and advise new students throughout their freshman school year

Associated Student Government, *Services Committee Member* — October 2015 - Present
- Design web portal for Northwestern's student government allowing its members to log attendance as well as store senate notes and legislation using
- Discuss and divide project work evenly within a group of four at weekly meetings
- Practice skills in HTML, CSS, Javascript, and GIT

SKILLS

Computer: Advanced Microsoft Word, Excel, PowerPoint. Intermediate Xcode, Visual Studio, GitHub
Language: Bilingual in English and Spanish
Programming: Intermediate C++, C, C#, Unix, HTML, CSS, JavaScript, and DrRacket
